SHELTON ALUMNI ASSOCIATION ANNOUNCES PLANS FOR FALL

Meeting during their annual summer retreat, the Shelton State Alumni Council finalized plans for this year's activities. "This is our third year of actual operations, and I think the Association is growing stronger each year," said Lucy Kubiszyn, director of the Alumni Association. "We have a good group of people, and I think everyone is becoming more confident in their roles. For the first time, we were able to sit back and evaluate the activities and projects of the past year."

In August the Alumni Association hosted a summer membership party at Barrett's Brewpub located in downtown Tuscaloosa. Members enjoyed food, beverages and a lot of fun and networking during the evening. On September 14, the Alumni Council held its first business meeting of the year, and the 1998-99 membership campaign was launched. Plans were also discussed for 1998 Homecoming which will be held in October.

"Rudolph the Red Nose Reindeer" will celebrate the Christmas holidays with the Alumni Association. Members are invited to the Association's annual Christmas party on Tuesday, December 1. Mark your calendars now. The summer party was such fun at Barrett's Brewpub that the Association agreed to return for the Christmas holidays. More information on the time and menu will be sent at a later date.

The Alumni Association will sponsor several fund raising events during the Christmas holidays. For a donation of \$5 to the Shelton State Alumni Association, Santa Claus will send a personalized letter to your favorite boy or girl from Santa's home in the North Pole. Contact the Shelton State Alumni office, 391-2221 or 391-2252, for more information. Santa will donate all the money back to the college for the Alumni Scholarship Fund.

COME HOME TO SHELTON STATE

Shelton State has grown and changed a great deal since its earliest beginnings in 1953, from a small trade school to one of the largest two-year institutions in the state. With the new state-of-the-art campus, Shelton State now has the facilities it needs to become one of the premier two-year institutions in the country.

How successful the college becomes depends on many people. The faculty, staff, and student body are very important. The West Alabama community also plays an important role in the growth of the college.

But you, our former students and employees are essential to the growth of the college. You have literally *been there - done that*. Your wisdom and guidance is needed to help direct the school into the next century.

When we first contacted individuals about forming an alumni association for the college, the feedback was the same. So many former students received their start at Shelton and wanted to give something back.

This is the time when we need you. We need your help, support, and ideas. We especially need to know what you think. The college administration is committed to making the Shelton State Alumni Association a strong force, but we can't do it without you!

Please take time today and join the Shelton State Alumni Association. It's a great organization with some wonderful people. Dues are low, only \$15 a year for active membership. Send your check today to Shelton State Alumni Association, 9500 Old Greensboro Road, Tuscaloosa, AL
